

The first thing Sunday school teacher Bill wants
Is for his attraction to his student
Mary, to bloom into more than just teaching her
About the good old ways

The first thing the sweet Holy Roller Sunday school student
Mary wants is to get Bill to teaching her
More than about the good old ways

Years ago, Bill a crabber out of Cambridge Maryland
Failed to make it running his own bookstore in the city
In addition, he failed to save his marriage
His wife and a city girl like money to buy expensive things.

One hot day in July, she sold herself to a rich man
Bill moved back to Cambridge Maryland his hometown.

Thinking it would
Be a good place to raise Judy, his teen-age daughter
He returned to his true calling – crabbing.

The first thing he needs and wants is to have
To his Sunday, school student – Mary in his bed

Mary is in hell
Not much older than her holy roller Sunday school teachers' daughter
That hates her and knows about her past career in the city
She does not know how to further her dream of marrying Bill
While keeping him from knowing about her career as an underwear model
Until she learns about his daughter and the jumping carrying preacher
